Application for the Student Absentee Voter Program

For student voters, attending a college or university, who will temporarily reside outside of their registered precinct.

This program allows students of higher education to automatically receive an absentee ballot application before every election for the next two years. Voters must complete and return the application before every election in order to receive an absentee ballot.

Under penalties pursuant to Section 29-10 (perjury) of the Illinois Election Code, I affirm that all of the statements on this application are true and correct. I reside or expect to temporarily reside outside of the precinct where I am registered to vote because I am a student attending the institution of higher education listed below.
