

# DRIVEWAY PERMIT APPLICATION

## INSTRUCTIONS

The purpose of the driveway permit is to inform residents and contractors of the requirements for driveway construction. This will help assure a safe installation and prevent future storm water drainage problems.

1. Fill out the application completely.
2. Include a plan drawing and a copy of your plat of survey with your application.
3. Return your application with a check in the amount of \$25.00 made payable to Elk Grove Township Highway Dept.
4. Allow at least one week for processing.
5. If you have any questions please call Highway Commissioner Chuck Serchuk at 847-437-0430 during regular business hours.
